## **History of the Jews : Volume I (Illustrated)** Heinrich Graetz

This book is an illustrated version of the original History of the Jews by Heinrich Graetz. “English readers, to whom the forefathers of the Jews of to-day—the patriarchs, heroes, and men of God—are familiar characters, will the better understand the miracle which is exhibited in the history of the Jews during three thousand years. The continuance of the Jewish race until the present day is a marvel not to be overlooked even by those who deny the existence of miracles, and who only see in the most astounding events, both natural and preternatural, the logical results of cause and effect. Here we observe a phenomenon, which has developed and vi asserted itself in spite of all laws of nature, and we behold a culture which, notwithstanding unspeakable hostility against its exponents, has nevertheless profoundly modified the organism of nations.”
