NMS Review for the Clinical Skills Assessment Exam (National Medical Series for Independent Study)

Erich A. Arias

This new book in the popular **NMS Series** provides practical guidance for the foreign medical graduate to orient and prepare for the Clinical Skills Assessment (CSA) Examination. Graduates are taught how to practice effectively in a clinical setting, transmit medical information to the patient, chart documentation, and evaluate/assess a patient's medical condition. Topics covered include medical terminology, composition and formatting of notes, and clinical correlation to differential diagnosis and laboratory work up plans. US rules for foreign doctors are covered, and on-line sources are also provided. Several tables and diagrams support the text.
