## **Project Management Interview Questions Made Easy: For Successful Project Management Interviews**

Dr Andrew J Makar

### **Get the Project Management Job You Deserve in 7 Easy Steps!**

Don't waste time memorizing an exhaustive list of interview questions...

#### **...Learn a simple 7 step process for finding, preparing and passing your next interview**

#### **Why you need to read this book**

If you are a business professional seeking your first project manager opportunity or you are an experienced project manager looking more senior roles, this book will help you prepare for a successful project management interview.

If you are a project manager looking to interview junior project managers, then this text will help you ask meaningful questions that demonstrate experience in addition to project management competency.

By following the 7 step interview process, you'll be well prepared for your next interview as well as have a list of job opportunities to pursue.

#### **Interview Strategies ... Not Just Questions**

Many of the books on the market today simply provide a list of project management questions and suggested answers. Providing a list of questions and responses to memorize and regurgitate is unrealistic and ineffective at best.

This text takes a different approach and provides an interview strategy using a step-by-step approach to identify opportunities, prepare for an interview and successfully pass an interview without memorizing.

#### **Learn how to prepare, find opportunities and pass the interview process**

This book will teach you how to prepare your resume, find the right opportunity, pass the initial phone screen and prepare you for your on-site interview and the stages afterward. After following this step-by-step process, you will also have a list of additional job opportunities to pursue in addition to your next interview.

#### **Free interview question templates included**

As part of your purchase, you can download a set of interview templates that will help you identify job opportunities and prepare for technical and management related interview questions.

#### **Additional bonus questions included**

In compiling this book, I consulted with several project management experts to provide current and

meaningful project management interview questions. These questions align with the 7 step process taught in the book.
