The Definition Of Love: Moments Not Forgotten A. Solomon Lee

This is a beautiful short story of a man as he recounts what took place the day that his life long sweetheart became the love of his life.

He is faced with a question that has been a mystery for as long as mankind has existed. That question being 'What is Love?' Using the elements of nature and his heart as a guide he is able to define love thereby being one of the very few to put this mystery into words that anyone can understand.

The story was inspired 8 years ago as I sat in my back yard contemplating the mystery of Love. It's definitely a piece worth reading =)
