Locals may know Windemere for its rolling pastures, horse ranches, and rough-and-tumble bad boys, but there's more going on than meets the eye. Hometown curvy girl Mia Isley is ready to leave Windemere in her rearview. She's had enough of town politics and men who can't own up to wanting a woman with more to hold onto at night. But when gorgeous bad boy Storm Whitehorse runs afoul of the local law again, Mia can't deny that she suspects there's more to the troublemaker than just a temper. And she knows the one man who can help—the equally handsome horse rancher Teagan Quaid. Only problem is that Teagan hasn't spoken to Mia in the year since he dumped her without explanation. That, and the fact that Teagan's no man. There was a time when Teagan Quaid was the bad boy of Windemere, just like Storm, before Quaid embraced his nature and became the lead stallion of Windemere's herd of horse shifters. With rivalry clearly boiling between the two men, each convinced Mia is in love with the other, how can she save them both from the dark and lonely destinies closing in on them and on Windemere? And do they even want saving? You can't ride into Heaven on a bad hoss, her daddy used to say. Mia knows that all depends on what a girl means by "heaven."
