Excerpt from Picture of Slavery in the United States of America

Exordium.

Where is the charter found to sanctify  
Despotic, base, unqualified control,  
O'er strength and will, by man enthroned o'er man?  
In Revelation's code you find it not,  
Nor in Creation's multifarious laws.  
The will of Heaven, when unrevealed by Christ,  
Or by the sacred organs of his word,  
Is sought and found in the primeval light,  
Which Nature sheds through her expanded spheres.  
But when with Gospel-day this light combines,  
The Fool who doubts, who asks for clearer proof  
Must hood-wink'd be indeed, and darkness love.  
That such resistless evidence obtains,  
To evince Demoniack Slavery's turpitude,  
With all the powers of brightest Truth appears,  
To the impartial mind that views each source,  
Whence the full streams of testimony flow.  
Each text of Sacred Writ enjoining love,  
Affection, justice, mercy, meekness, peace,  
And piety, establishes this truth,  
That Slavery contravenes the law of God!  
Point to me the man

Who will not lift his voice against the trade  
In human souls and blood, and I pronounce,  
That he nor loves his country nor his God.  
Is he a Christian, then, who holds in bonds  
His brethen; cramps the vigour of their minds;  
Usurps entire dominion o'er their wills,  
Bars from their souls the light of moral day,  
The image of the great Eternal Spirit  
Obliterating thence? Before your God,  
Whose holy eye pervades the secret depths  
Of every heart, do you who hold inthrall'd  
Your fellow-being's liberty believe  
That you are guiltless of a Damning Crime?

## About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
