The Life and Letters of Lewis Carroll

The Life and Letters of Lewis Carroll is a biography written by Carroll's nephew, Stuart Dodgson Collingwood, and published in 1898. It accidentally started the entire image of Lewis Carroll as a pedophile by deliberately suppressing all the evidence for his sometimes unconventional relationships with women, explaining that some of those women had been little girls...

Charles Lutwidge Dodgson better known by the pseudonym Lewis Carroll (1832 – 1898), was an English author, mathematician, logician, Anglican deacon and photographer.

Stuart Dodgson Collingwood (1870–1937) was an English clergyman and headmaster. He wrote two books about his uncle, Lewis Carroll.
