Julie Smith

82 Desire (Skip Langdon #8) (Skip Langdon Mystery) (The Skip Langdon Series) Julie Smith

"Excellent entertainment ... Langdon and her creator, Julie Smith, are at their peak" -*New Orleans Times-Picayune*

82 Desire is the EIGHTH book in the Edgar Award-winning Skip Langdon mystery series by Julie Smith.

A WIFE'S WORST NIGHTMARE... "I'll get the car, dear. You wait with the bags," says the husband. And she waits on the curb at Baggage Claim till doomsday. Turns out the car's still there. But hubby's not.

It seems Councilwoman Bebe Fortier has misplaced her equally prominent husband, United Oil VP Russell Fortier. Across town, **part-time detective/poet Talba Wallis** has a simple wish--to find out what Russell Fortier's disappearance has to do with her. But the private investigator who hired her to spy on Fortier can't help her out. He's lying in his office with a bullet in his chest. Reporter Jane Storey is walking down the same mean, sultry street—she's **on the brink of the biggest story of her life**. But she's got a bad feeling she's being played like a deck of cards by a tipster with a malevolent agenda.

Now Orleans Police Detective Skip Langdon soon senses something big starting to unfold, something a lot bigger than a missing husband. **Something rooted in corruption, resulting in violence—and motivated by that old demon . . . desire.**

"Smith's strengths are her **incredible and sometimes outrageous characters** and her **snappy dialogue**. To read Wallis's poem on how her mother named her Urethra is worth the price of the book. Obviously, she had her name changed. Very funny stuff." -*San Francisco Examiner*

"Engaging characters and **a genuinely baffling mystery** ... [Smith] succeeds admirably. The novel is intricately constructed, and while Smith keeps nothing important unfairly hidden from her readers, she manages to spring some nice little surprises." -*Booklist*

For voracious mystery fans of writers like Nevada Barr, Sue Grafton, Laura Lippmann, Ace Atkins, Marcia Muller, Linda Barnes, and Randy Wayne White.

"The wealth of crimes and misdemeanors—not to mention the...range of viewpoints—give the case a **Dickensian richness** familiar to fans of Smith's ambitiously plotted series." -*Kirkus Reviews*
