A Gift Worth Keeping: It Goes with My Décor! Shelli Littleton

Hardships are gifts allowed by God. Although it may seem hard to believe at times, remember James 1:17 - "Every good and perfect gift is from above, coming down from the Father of heavenly lights, who does not change like shifting shadows" Unquestionably, hardships fit miraculously into that every "good and perfect" category as well, even though their appearance is often dreadful and hiding or exchanging them would seem to be ideal. In *A Gift Worth Keeping*, author Shelli Littleton shows you how, given a chance, they can change you from the inside out and cause you to love and cling to God with all your might. When you do this, He can use your personal testimony to comfort others. Littleton explores the ways you can use those special gifts to their optimal power. You can learn how to avoid Satan's downward spiral and jump on God's upward one, how to differentiate between the godly mirror and the worldly one, and how to be a living display of God's love. Most importantly, Littleton shows you how to be thankful for those hardships. *A Gift Worth Keeping* can help you realize your hardships fit perfectly with your decor and can become the greatest assets to your ministry.
