Murder & The Secret Cave: High Desert Cozy Mystery Dianne Harman

Seven time Amazon All Star author with her latest book in the best selling High Desert Cozy Mystery Series.

Who killed Randy Jones?

Was it Dr. Rosenbaum, who would do anything to get the Native American artifacts he desperately needed to add to his collection? Was it Richard Sagebrush, a Native American whose one goal in life was to return stolen artifacts to their rightful tribes? Was it Randy's son, Luke Peterson, who was still angry his father had abandoned him forty years ago? Was it Colin Sanders, who dealt in black market Native American artifacts? Or even Mary BirdSong, the woman who had lived for ten years with Randy in his rundown desert shack until one day, without any explanation, he kicked her out?

Randy Jones was an old desert rat with a secret collection of Native American artifacts that was worth millions, but can you put a price on an illegal collection? That's the dilemma Marty Morgan finds herself in when Randy asks her to appraise his collection, but the meeting leads to more than an appraisal – it becomes a meeting that ends in murder – Randy's.

Join Marty, her boyfriend Detective Jeff Combs, her psychic sister, Laura, and her black Labrador, Duke, who refuses to set foot on desert sand without his pink booties, as they search for the killer before he murders Marty. Another dilemma Marty faces is deciding whether she wants her relationship with Jeff to go to the next level.

Murder and the Secret Cave is another mouth-watering High Desert Cozy Mystery with recipes included by seven time Amazon All-Star author.
