"The SimCity 2000 Planning Commission Handbook" explores the strategies of how to approach and how to be successful in SimCity 2000. You'll learn how to quickly and easily create successful cities and keep them running for hundreds of (Sim) years. You'll learn to create cities that will run themselves and keep on running, practically forever.

Not only do authors Peter Spear("The King's Quest Companion" and "The Space Quest Companion") and Johnny Wilson("The Official SimCity Classic Planning Commission Handbook" and Editor-in-Chief of Computer Gaming World magazine) bring you strategies, hints and tips for becoming a successful SimCity Mayor, but they also bring a unique perspective on SimCity 2000, direct from the people who invented city planning itself - city planners. (And just because some of this doesn't work for them doesn't mean it won't work for you.)
