### ***About 'The Works of Edgar Allan Poe' by Edgar Allan Poe***

Edgar Allan Poe was an American author, poet, editor, and literary critic, considered part of the American Romantic Movement. Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of the short story, and is generally considered the inventor of the detective fiction genre. He is further credited with contributing to the emerging genre of science fiction. He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. On October 3, 1849, Poe was found on the streets of Baltimore delirious, "in great distress, and... in need of immediate assistance", according to the man who found him, Joseph W. Walker. He was taken to the Washington Medical College
