Journal of Major Robert Rogers

Robert Rogers

Journal of Major Robert Rogers Robert Rogers

Often hailed as the godfather of today's elite special forces, Robert Rogers trained and led an unorthodox unit of green provincials, raw woodsmen, farmers, and Indian scouts on "impossible" missions in colonial America that are still the stuff of soldiers' legend. The child of marginalized Scots-Irish immigrants, Rogers learned to survive in New England's dark and deadly forests, grasping, as did few others, that a new world required new forms of warfare. Rogers's principles of unconventional war-making would lay the groundwork for the colonial strategy later used in the War of Independence—and prove so compelling that army rangers still study them today. Robert Rogers, a backwoods founding father, was heroic, admirable, brutal, canny, ambitious, duplicitous, visionary, and much more—like America itself.

This book published in 1918 has been reformatted for the Kindle and may contain an occasional defect from the original publication or from the reformatting.
