Lucifer's Loophole: The Devil is in the Details Andy Gibbons III

What if some of the characters from your childhood Sunday School stories were still alive? Those stories didn't end just because you stopped reading them...

The fallen-angel Lucifer, a.k.a. Satan, the Devil, etc., thinks he has finally found a loophole in God's plan to save the world. The only thing stopping him are three people resurrected by Jesus Christ that are still alive in the modern day and can teleport like Jesus did after his resurrection. Just when Lucifer is closing in ... new players enter the game including angels, a nephilim that sells video games, a human girl in Christian College, and zombies from the Old Testament. Not even time travel could stop the events that are unfolding.

If you think outside the box when it comes to reading stories in the Bible then this books will ignite something deep within your inquisitive mind. Lucifer's Loophole is an imaginative fantastical adventure that is based on multiple scriptures with various supernatural interpretations.
