After the horrors she's survived over the past year, Rory never expected to find the one thing she certainly wasn't looking for – love. But after the painful realization that her past has left her a dangerous liability to the person she cares for the most, she finally understands that for her and Sam, love means letting go.

Can two people hopelessly in love with one another ever revert back into just friends? Neither Rory nor Sam know for sure. But the one thing they do know – it's the only choice they have.

As Rory recovers from a devastating assault, Sam will do anything to make sure it never happens again. But how far will he go to keep her safe? Their choices will change everything, and they will either bring them back together, or destroy them irrevocably.

OKAY is the follow-up to NORMAL and Book 2 of the Something More series. It is not meant to be read as a standalone novel.
