**Excerpt:**

*The bartender appeared. He was a hunk with rippling muscles and long black hair pulled back tightly. If he had been the star of those tween movies she would have developed a love for vampires. He spoke in a deep and sexy undertone, "What can I get for you tonight?"*

*"Champagne." Of course. It had to be champagne, at least right now. Her nerves had settled somewhat and she managed to sit on the stool like she had done it a thousand times before. She had been in bars, certainly, but usually it was for a girl's night out thing and they always took a table.*

*"Mind if I join you?"*
