Sierra McKettrick felt like a fraud. She might be moving to her family's ancestral ranch with her son, but being a McKettrick by blood wasn't enough to make her fit in. To make matters worse, from the moment she'd met the Triple M's ranch hand, he'd gotten under Sierra's skin. With his rugged body and tender compassion, Travis Reid was a temptation she didn't need or want.

But as Sierra began to form a connection to one of her ancestors, Hannah McKettrick—also a woman with a young son and an inconvenient attraction to the wrong man—Sierra started to realize that there were some bonds that even time couldn't break. And there were some charmed places where even the loneliest of people could find home...and love.
