The Future Dictionary of America

Jonathan Safran Foer, Nicole Krauss, Dave Eggers, Eli Horowitz

The Future Dictionary of America Jonathan Safran Foer, Nicole Krauss, Dave Eggers, Eli Horowitz
This book was conceived by Safran Foer, Nicole Krauss, and Dave Eggers as a way to bring over a hundred authors together to promote progressive causes in the November 2004 election. The book is an imagining of what a dictionary might look like about thirty years hence, when all of the world's problems are solved and our current president is a distant memory. The book is by turns funny, outraged, utopian, and dyspeptic.

Over 150 writers contributed to the book, including: Stephen King, Robert Olen Butler, Glen David Gold, Richard Powers, Susan Straight, Sarah Vowell, Billy Collins, C.K. Williams, Colson Whitehead, Donald Antrim, Jonathan Franzen, Edwidge Danticat, Edward Hirsch, Joyce Carol Oates, Katha Pollitt, Padgett Powell, Paul Auster, Anthony Swofford, Julia Alvarez, Susan Choi, Jim Shepard, Aimee Bender, and Art Spiegelman.

Hardcover editions of the book will also include a CD compilation, with all new songs by the best musicians working. Among them: David Byrne, R.E.M., Death Cab for Cutie, Moby, Sleater-Kinney, Flaming Lips, Tom Waits, Yo La Tengo, Bright Eyes, They Might Be Giants, Elliott Smith, and the Yeah Yeah Yeahs.

From reader reviews:

Katherine Ouellette:

In this 21st hundred years, people become competitive in each way. By being competitive at this point, people have do something to make these people survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated this for a while is reading. That's why, by reading a book your ability to survive raise then having chance to stay than other is high. For you who want to start reading a book, we give you this The Future Dictionary of America book as beginner and daily reading publication. Why, because this book is usually more than just a book.

Glen Thomas:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even restricted. What people must be consider while those information which is inside the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take The Future Dictionary of America as the daily resource information.

Edna McArdle:

Reading a publication tends to be new life style with this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Having book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their reader with their story or even their experience. Not only situation that share in the ebooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this The Future Dictionary of America.

Christopher Barry:

What is your hobby? Have you heard in which question when you got pupils? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person similar to reading or as looking at become their hobby. You have to know that reading is very important and also book as to be the point. Book is important thing to add you knowledge, except your personal teacher or lecturer. You see good news or update with regards to something by book. Numerous books that can you choose to adopt be your object. One of them is niagra The Future Dictionary of America.
