Two Lane BlackTop / Legend '55: My ScrapBook David J. Duckett

There is over 190 photos in My Scrap Book. Just stuff I've collected over the years that had to do with this little' ole '55. Nothing fancy, just a collaboration of great pictures and articles that I've enjoyed. Anybody who is a gearhead and loves Hotrods, understands, what makes this '55 Chevy the icon of hotrods that it is today. Having been used, abused & lost for a time, now the two remaining cars have now been restored to their former glory. The #1 and #2 cars (AG & TLB) are alive and well! Follow the time line and meet some of the people who were involved. Did you know the Two Lane '55 shut down a hot-shot Hemi Cuda on the street right after it was built, before it starred in the movie Two Lane BlackTop? This is a limited edition run of "Legend '55" and only a few copies will be made. If you happen to get your hands on a copy.....enjoy!
