I suppose I should have realized a very long time ago just how beautiful my best friend was but it was on an Autumn Saturday that her loveliness occurred to me. I'd known her my entire life so I wasn't prepared to suddenly desire her the way I did. I couldn't help myself, though. She was... well, she was everything I could have wanted. She felt the same way about me, I discovered, and before long that Saturday became the Saturday on which I had my very first experience with another woman, and it was just as beautiful as Karen.

Warning: This ebook contains very explicit descriptions of sexual activity including first lesbian sex, college sex, lesbian seduction, and more. Only mature adults who won't find that offensive should read this story.

Here is a preview:

I suppose there's a difference between knowing she was sexy and, for the first time, looking at her and seeing a beautiful and sexy woman. The weird thing about it was, I wasn't just looking at her like a sexy woman from a conceptual standpoint; I found myself attracted to her, and that had never happened before. It hadn't happened with Karen or any other girl.

Like any woman, I suppose, I had had plenty of fantasies about being with another girl. I'd never done it before, and since Karen and I were best friends and told each other everything, I assumed she'd never done it before either. At that moment, I felt a surge of arousal that I hadn't ever felt before. I mean, sure, I was no prude, certainly wasn't a slut, but I'd slept with a few boys and I would say if a boy got to date with me, he was very likely to get laid. When those things happened, I'd gotten aroused. But this was different; I was turned on, and I was turned on just looking at her. It wasn't the kind of situation where a kiss led to an increasing arousal and then more kissing and then soft wandering hands that eventually broke past any barriers I had. I was one-hundred percent ready to go, and I was ready to go looking at my best friend. It made no sense to me at all, none. It must have been something that we'd eaten for breakfast earlier because when Karen turned and looked at me, there was something different about her eyes.

I didn't know exactly what it was at first and I was still lost in my own thoughts but she came close and sat down on the couch. Before I really could get my hands around what was happening, she leaned over and kissed me. It was one of the most beautiful kisses I'd ever experienced.
