BOOK #1: The SHTF Stockpile: 55 Items You Shouldn't Miss When SHTF

Your ability to survive when the SHTF depends on two things – having a solid survival strategy and possessing the tools to put it into action. This book tells you which tools you need. It is a guide to the 55 most essential you need to stockpile for when the SHTF.

When preparing for a SHTF scenario, there can be no room for superfluous items. Everything you stockpile needs to be stored for a reason. The 55 items recommended here have been rigorously assessed to ensure they provide you with the greatest utility.

Here are the chapters that you'll find in this book:

- Preparation
- Water
- Food
- Sleep and Shelter
- Power, Light and Communication
- Sanitation and First Aid
- Security

BOOK #2: The SHTF Stockpile: 33 Items You Will Need to Stay Alive When Disaster Strikes

What happens when it all hits the fan? Are you ready? What would it take for you to be ready? If you struggle to answer those questions, then you need to get prepared, right now.

Disasters do not arrive on a scheduled timetable and they do not announce themselves politely. They come

when they want and they hit hard and fast and put people, cities, and even whole countries at risk. If you are unprepared, your survival will be at the will of fate. If that's acceptable, don't buy this book. But if you're like me, leaving your life in someone else's hands or up to fate is utterly unacceptable. If that's so, you need this book to discover the 33 most important things to stockpile.

In this book you'll learn how to:

- Maintain food and water supplies,
- Protect and defend your home,
- Keep in contact with like-minded survivors for safety in numbers,
- Administer basic first aid to yourself and to others, and
- Keep yourself safe with the ultimate Six Must Have Survival Preps.

BOOK #3: The SHTF Stockpile: Items Every Bug Out Bag Needs for Survival in the Wild

The End is near! (Maybe)

Right now, you and your family are probably living comfortably in the current system. But all systems, all empires, come to an end sooner or later. Are you ready for the world when the current system collapses? The day is coming, soon or later, when the world will change dramatically and you should be ready for it.

If you're a beginner in the prepping community, the prospect of getting ready for a world totally unlike the one you're used to living in can seem overwhelming. That's where "SHTF Stockpile" comes in. In this book we'll cover the basics of bugging out and hunkering down.

"SHTF Stockpile" will cover what to pack in your bug out bag, what sort of locations to plan to bug out to, and what you should do once you're out of harm's way and when the dust of the inevitable crash settles.

Do you know what the best sort of clothes for surviving a disaster are? Do you know what consumer items to hold on to in case of emergency, and which ones to let go of? Do you know which skills will be valuable in a post-calamity world?
