College accounting (Chapters 1-10) Douglas J McQuaig

This market-leading college accounting text is known for its accuracy, careful pacing, and repetition of accounting terms, concepts, and procedures. The Seventh Edition retains the successful characteristics of previous editions, while integrating Internet features that provide students with real-world business experience.

End-of-chapter "Web Work" writing assignments encourage students to research and analyze accounting topics using the Internet. "Windows on the World Wide Web" chapter-opening features introduce the main concept of each chapter with a web-based quest featuring real companies dealing with real accounting issues.
