Of Mice and Men. (Fremdsprachentexte). (Lernmaterialien)

John Steinbeck, Reinhard Gratzke

Of Mice and Men. (Fremdsprachentexte). (Lernmaterialien) John Steinbeck, Reinhard Gratzke

Two migrant field workers in California on their plantation during the Great Depression—George Milton, an intelligent but uneducated man, and Lennie Small, a man of large stature and great strength but limited mental abilities—are in Soledad on their way to another part of California. They hope to one day attain their shared dream of settling down on their own piece of land. Lennie's part of the dream is merely to tend to (and touch) soft rabbits on the farm, as he loves touching soft animals, although he always kills them. This dream is one of Lennie's favorite stories, which George constantly retells. They are fleeing from their previous employment in Weed, California, where they were run out of town after Lennie's love of stroking soft things resulted in an accusation of attempted rape, when he touched a young woman's dress, and would not let go. It soon becomes clear that the two are close friends and George is Lennie's protector, despite Lennie's antics irritating him. The theme of friendship is a constant throughout the story. At the ranch after being hired, the situation appears to be menacing and dangerous, especially when the pair are confronted by Curley—The Boss's small-statured, aggressive son with a napoleon complex who dislikes larger men—leaving the gentle giant Lennie vulnerable. Curley's flirtatious and provocative wife, to whom Lennie is instantly attracted, poses a problem as well. In sharp contrast to these two characters, the pair also meets Candy, a kind, old, aged ranch hand with one hand and a loyal dog, and Slim, the kind, intelligent and intuitive jerkline-skinner whose dog has recently had a litter of puppies. Slim gives a puppy to Lennie, as he does to Candy, who had a loyal, accomplished sheep dog that was killed due to its old age and uselessness.
