Another right angle weaving technique tutorial for beading enthusiasts! Learn how to create a flower using the RAW technique while weaving in circular direction. You'll also learn how to create a dangle or tail to add onto your flower shape pendant that will make the flower even more unique and beautiful. This additional tip will also be useful for other beading techniques and by playing with different sizes of beads, you can create your own variation of the necklace.

The tutorial is catered for beginners or anyone who loves to learn this basic weave. It has in-depth instructions and ultra-clear, close-up photos at each step. Additionally, you can ask me question you have on the tutorial. No more getting stuck and frustrated on a confusing or just plain inaccurate pattern.
