**The Political Economy of Kenya (Cancer Research Monographs)** Michael G. Schatzberg

*The Political Economy of Kenya* is a collection of timely and up-to-date essays focusing on the interaction of politics and economics in Kenya's domestic political arena. The essays, written by scholars from Kenya, the United States, and Great Britain, contain in-depth presentation based on contemporary research. For example, the contributors stress the interdependence of politics and economics in determining political outcomes and examine the Kenyan political system in that light. Chapters discuss such topics as Kenyan agriculture, urbanization and spatial planning, public enterprises, public policy and reform, and specific case studies on labor and social issues.
